What We Did:

- Tonight the girls learned about what it means to become a Brownie Girl Scout as we started right in with our first Try-It. – “Girl Scout Ways”. The 3 keys to Girl Scouting are: Discover, Connect, and Take Action. We were able to catch up since last spring, meet some new friends, and get going on getting the girls familiar with how we will run the meetings this year – with the girls taking very active, responsible roles.
 - This year the girls will be learning how to work as a team to make choices and plan events. We will be doing a lot of “action” activities as the girls explore the “try-its”.
 - Thanks to Megan for the snack!
-
