What We Did:

- Tonight we continued working on our first Try-It. – “Girl Scout Ways”. We completed the “Sit-Upons” which will be used during our meetings and a discussion on “Being Prepared”, which is an old Girl Scout motto.
 - We discussed and voted on some additional topics for how our troop wishes to work as a group, and will be incorporating these outcomes within our meetings.
 - The girls are now becoming very involved with running the meetings this year and becoming responsible for the troop.
 - Thanks to Gillian for the snack!
-

- Please have your Brownie wear OLD clothing for our next meeting.
