

Troop# 344
McDonald, OH

Newsletter 1/27/09

What We Did:

- Tonight we finished our "Friends Are Fun" try-it, discussed our plans for World Thinking Day, and discussed our Cookie Pin Activity philanthropy project.
- Thanks to Hannah and Kamlyn for providing snacks at our past two meetings!

Upcoming Events:

- Thanks for your efforts and participation with the Cookie sale! Thanks to Elizabeth for being our Troop Cookie Coordinator, and for her efforts to work on scheduling a booth sale during February or March. This will give us an additional opportunity to increase our sales and profit percentage coming back to our troop. More details to follow.
- The next two At-Home Try-Its ("Friends are Fun" and, for those who qualified, "Computer Smarts") are due on 2/10 if interested. If you cannot locate your requirements or have questions, email Candie.
- World Thinking Day will be held on Tuesday, 2/17.
- Troop funds will be covering the following council activities for which we need drivers:
 - Teddy Bear First Aid/Safety Hospital will be held on 2/21.
 - Swim Party will be held on 3/14. Permission form is due by 2/10.
 - Sock Hop is planned for 4/5. More to follow.
- We are collecting tabs (from pop cans, fruit/veggie cans) for our sponsor. The recycling fun patch can be earned for those who have not yet participated.
- The GSNEO Year of Service continues with a new project each month. All girls are encouraged to participate. Anyone donating can bring supplies to the troop meetings during each month we are collecting. Our website has additional details.
 - We are collecting canned goods for the "Second Harvest Foodbank" during February. Please make sure the expiration dates are several months out.

Next Meeting:

Tuesday, February 10th

We will be working on our
"Animals" Try-It.

Healthy snacks and drinks to be
provided by Allison. Thanks!

Special Reminders:

- Permission forms are due TONIGHT for the Teddy Bear Hospital, and 2/10 for the Swim Party.
- Collection items for Someplace Safe are due TONIGHT.
- We need drivers for our events.
- Check our website for updates, news, and service projects.
