What We Did:

- Tonight we started working on our next Try-It – “Art-To-Wear”.
- We discussed and voted on how we will implement our “Brownie Bucks” program. This is used to incentivize the girls for being responsible and living the Girl Scout law.
- We discussed our upcoming service projects and the ones we have in-process, and how this relates to a key theme of girl scouting. Our troop takes service very seriously.
- We decided on some of the first fun patches to also work on earning.
- Thanks to Kamlyn for the snacks! Thanks to JoMarie for working with us this year at the troop meetings, Elizabeth for working as our troop cookie chair, and to Jeff and Elizabeth for working troop communications.

Upcoming Events:

- Volunteer patch - earned when adults help with 2+ troop activities and provide snacks.
- We are participating in GSNEO’s Year of Service Program. To earn this award, each girl must participate in the following events: Oct 25th - Make a Difference Day. We need 2 volunteers to chaperone. Nov 1st - GSNEO Goodwill Drive. We need 2 drivers / chaperones to go with us to drop off donations. In order to receive credit each girl must collect 3 grocery sized bags of clothing to donate and be present to turn it in with our troop. If we don’t get enough drivers, seats will be filled on a first-come, first-serve basis. Dec 2nd - a local service project during our troop meeting time. We need 2 volunteers to chaperone.
- We are collecting items listed below from now until 10/21 for the Beatitude House, which is a local agency supporting disadvantaged women and children.
