### What We Did:

- We are having a great year! All scouts are doing a great job in every aspect. Great group dynamics as we work hard and have fun learning skills to be used in and out of scouts. We are very proud of your scouts as they are an amazing group of girls.
- Tonight we went to IGA to complete our food power badge and purchase additional canned foods to donate to Second Harvest Foodbank.
- Thanks to our drivers/chaperones (Lori, Patti, JoMarie, Tammy, Sandy, Greg, Debra, Heather, Elizabeth, Mary, Traci) for participating with us so we can attend our events (IGA, Pat Catan's, Game Night, and Beach Party).
