
What We Did:

- Today we became "smart shoppers" as we purchased items to assemble health kits for our April GSNEO Year of Service Project for UMCOR. We also met another Flat Stacie. This one came to us from Arizona, as they located us from our website.
- Thanks to Nevaeha for snacks and Patti for being our parent helper today.

Upcoming Events and General Information:

- Pathway Passes will be mailed directly to girls earning them. They may be used as credit for certain GSNEO programs. If you are not planning to use these on your own for program attendance, please turn in to Candie for troop use. These can help offset troop expenses for GSNEO events rather than families paying more out-of-pocket.
- **4/16:** Princess Ball - see note in folder. Registration Closed.
- **4/17:** Great Outdoor Skills program for Brownies - see note in folder. Registration Closed.
- **4/20:** Parent/guardian meeting. Please be sure to attend.
- **4/20:** Early Bird Registration forms/fees are due for 2010-2011 year. See 3/9 packet and forms for details. You are responsible for meeting dates with forms and fees. Please have at least 1 adult per family register who will participate. Remember, event sign-up is first-come, based on vehicle capacity, but if you, as a registered member sign-up to drive your scout cannot get bumped from participating.
- Last GSNEO Year of Service Project - collection for animal welfare league - see flyer sent home on 3/23. If you have not already participated in at least three GSNEO projects with the troop this year, this is your last chance to participate be considered for the award. All items due no later than our last meeting for this year on May 4th.
- **5/4:** Last meeting - permission slips due on or before for participation.

Next Troop Meeting:

Tuesday, April 20th

We will complete a surprise project, and get our scout bucks prizes, awards, fun patches, badges, and pins.

Healthy snack to be provided by Maddison, and our adult helper is Tammy. Thanks!

Special Reminders:

- **4/20:** Adult meeting and Early Bird forms/fees due. If you miss this date you can reregister in the fall (without the fun patch/incentives). However, it is beneficial for troop to register now. You will NOT be tracked down individually.
- Check website for latest troop photo galleries, snack schedule, adult volunteer opportunities, etc.
