What We Did:

- Tonight we completed our “Eat Right, Stay Healthy” Try-It. We voted on how we want to receive our awards this year. We also started making plans for upcoming projects and events of most interest to the group.
- We started decorating our “Flat Stacie” dolls to participate in a project initiated with Girl Scouts from NY. This project will include three exchanges during the year.
- We started initial discussion of our financial literacy program: The Penny Project.
- Thanks to Gillian for the snack.

Upcoming Events / Info:

- Check our website for updates, news, and service projects. There are a few more sections added to have more information available. This site will provide the latest information and shall serve as a communication point between meetings along with email since we are all very busy. The at-home try-its for this year are available as stated on the website. Email Candie to receive the requirements.
- A sign-up sheet is available for parent meeting assistants. We will need your help again this year as drivers and chaperones for our events. Anyone interested in participating can visit our website for open positions and contact Candie.
- Elizabeth will be providing the training/information pertaining to the fall product sale. It is essential that we meet the dates established. Thanks in advance for participating!
- Next meeting we will be taking an outdoor adventure hike in the park. Permission slips are available to submit today or next meeting. GSNEO policy is that this must be turned in prior to the event or your brownie cannot participate.
- The GSNEO Year of Service Project begins in October. We are making plans for the troop to participate on Saturday, October 24th. More to follow.

Next Troop Meeting:

Tuesday, October 6th
(NEXT WEEK – Back to our schedule)

We will work on our “Outdoor Adventure” Try-It. Dress for the weather.

Healthy snacks to be provided by
Nevaeha. Thanks!

Special Reminders:

- All forms and fees are due NOW.
- Parent mtg TONIGHT
- Permission slip for next meeting is due
- Please sign up for snacks / helper.
- We are collecting tabs (from pop cans, fruit/veggie cans) to earn the recycling patch. If you already earned the patch, this will count toward service credits.
- Make sure we have your contact info!
